A dedicated Information Technology Engineer with expertise in HTML, CSS, JavaScript, React.js, Firebase, and MongoDB. Successfully completed *The Ultimate React Course 2023* , gaining hands-on experience with React, Redux, and modern development practices. Passionate about building dynamic, responsive, and user-friendly web applications. Eager to secure a Software Developer role where I can leverage my technical skills to contribute to innovative projects. Committed to continuous learning and professional growth in a dynamic environment that fosters excellence.
